Corporate Insolvency Resolution Process (CIRP) of Dewan Housing Finance Corporation Ltd. (DHFL) under Insolvency and Bankruptcy Code (IBC)

Status as on 30.08.2024:

As you are aware that Catalyst Trusteeship Limited is acting as Global Escrow Trustee, this is to update you on the developments regarding the distribution of funds and securities held in escrow during the Corporate Insolvency Resolution Process (CIRP) of Deewan Housing Finance Limited (DHFL), and in compliance with recent Supreme Court orders.

During the CIRP of DHFL, the National Housing Bank (NHB) filed a claim before the National Company Law Tribunal (NCLT) for the recovery of its dues. This matter is currently pending before the Supreme Court. As an interim arrangement, the amount disputed was set aside in the form of ₹10,45,81,25,412 in cash and 1,39,08,595 NCDs. These NCDs were placed in the "DHFL NHB Escrow" demat account, and the cash was deposited in an interest-bearing escrow account. Subsequent coupon payments and principal redemptions related to these NCDs, handled by Piramal Capital Housing Finance Limited (PCHFL), were also deposited into this escrow account. Catalyst acts as the trustee for both of these accounts.

On September 12, 2022, the Supreme Court ordered the release of amounts to NHB, provided that the final decision was favorable to NHB. This interim arrangement required NHB to return the transferred amounts with interest if the final outcome was in favor of the Committee of Creditors (CoC). Consequently, a total of ₹676,04,63,159.49 was transferred to NHB in October and November 2022. No payments were made to the Secured Financial Creditors (Secured FCs) other than NHB, awaiting further clarity from the Supreme Court.

For your reference, Secured FCs are defined in the approved distribution resolution as follows:

- **Secured NCD holders in Category 4** (**Categories 1 to 3 were settled in cash and their have been claims extinguished);**
- **NHB**; and
- **Secured lenders**, including term lenders, ECB, and Masala bond holders.

On July 23, 2024, the Supreme Court permitted further distributions to NHB based on additional NCD redemptions and also to the Secured FCs (excluding NHB) for both cash and past and current redemptions.

To comply with the Supreme Court's latest order, distribution process of the principal component which includes the cash set aside in September 2021 and the redeemed NCD principal, to NHB and the Secured FCs (excluding NHB) will be carried out on 31.08.2024.

PAN wise distribution details will be shared on our website shortly.
