Section III- DEFAULT DETAILS

Information regarding default by Issuer Companies in Public (P) / Rights (R) / Privately Placed Listed (PPL) Issues of Debentures up to the half year ended 31st March, 2015

Name of the Issuer	Secured / Unsecured	Type (P/R/PPL)	Issue size Rs. In	Type of Default*	Details of action taken
Bharti Shipyard Ltd.	Secured	PPL	90	Non-payment of Interest	Company has defaulted in payment of quarterly interest for series I & II. The debentures are secured by first pari passu charge on movable and immovable properties of the company along with lender banks. The restructuring package under CDR scheme was approved on 01.06.2012. We as trustees have continuously followed up the matter with the company for payment of the defaulted amount due to debenture holders. The instructions were also sought from the investors for the legal course to be adopted for the recovery. We have conducted the meeting of Debenture Holders and Issuer Company on 12.09.2013 for deciding further course of action. In the said meeting, LIC expressed its willingness to accept the funding of interest provided the company agrees to increase the rate of interest from 10% to 11% which is at par with the other lenders. Company has taken up the matter with SBI to consider the same. Debenture holder viz. LIC is following up with SBI. The issue of LIC & GIC joining the CDR Scheme is under correspondence between LIC, GIC, Issuer Company and Lender banks. So far there are no specific instructions from LIC / GIC for taking any legal action against company. As regards appointment of nominee director, the Company informed that since the company is under CDR scheme and SBI as Lead Bank has appointed Nominee Director at the Board of the Company. Hence, the Debenture Holders decided not to appoint the nominee Director separately at present. The matter is followed up with issuer company / debenture holders.

* Type of Default

1. Non -payment of interest;
2. Non -payment of redemption;
3. Delay in payment of interest/redemption;
4. Any other (like non-creation of security)
